

OPERATING RULES

These Operating Rules form an integral part of the General Business Terms and contain basic commands and prohibitions that are binding on all persons on the Site of non-traditional sports area Hangair, operated by Hangair s. r. o., with registered office at Pri starom letisku 3b, Vajnory, 831 07 Bratislava, Slovak Republic.

1. Before entering the sports area, visitor is obliged to leave all his / her personal belongings that could cause injury to him or others in designated places (such as a cabinet in the dressing room). Any valuable items or other worthy objects are obligatory for visitors of the premises to stay at the Site reception.
2. If the visitor is interested in using his / her own recording equipment on Site for his / her own purposes, he / she is fully responsible for the damage caused by this device in relation to the damage to the life and health of any persons, including damage to any sporting equipment.
3. There is a strict ban on entering the sports area outside operating hours.
4. It is also forbidden to enter the Site for people under the influence of alcohol or other narcotic or psychotropic substances.
5. Athletes shall not enter areas reserved exclusively for sports personnel, nor closed sports zones.
6. Entry on jumps and skateboard ramps are only allowed in the helmet.
7. On trampolines, foam pitches, jumps, as well as in them themselves it is not allowed to leave any objects capable of causing injury to persons.
8. Only one person at a time is allowed to jump or train on a trampoline. At the same time, the prohibition applies to stay on a trampoline if the person does not jump or practice on it.
9. In a foam pit, it is possible to stay exclusively for the time required to leave it.

10. Every visitor is obliged to report any damage to any equipment within the sports area to the staff.
11. Each sporting area and sports equipment has its own maximum capacity that every visitor is required to adhere.
12. In the event of any health problems, the visitor of the sports facility is obliged to inform the staff immediately. Every person appearing on Site is in the case of injury or accident required to be tested for the presence of alcohol or other narcotics and psychotropic substances in the body.
13. There is a strict ban on smoking, entry to animals to the sports section, and a ban on eating meals and beverages on the sport grounds.
14. In all other situations, the site visitor is obliged to follow the instructions of the staff or other by law designated persons (such as rescue teams).
